

AS ALWAYS, **SAFETY IS OUR #1 PRIORITY**

In anticipation of your visit, we have put new practices in place to increase sanitation and promote social distancing.

We look forward to seeing you on the water!

HERE'S WHAT YOU CAN EXPECT:

Enhanced Cleaning with Increased Frequency

In all areas, with disinfection before and between tours, plus a deep clean at the end of each day. Our cleaning procedures follow CDC guidelines and advice from health officials.

Extended Boarding Times

To allow for social distancing, less time in queues and more time enjoying Chicago's skyline!

Social Distancing in Seating and Queuing

Across our entire location, on board and on the dock.

Cashless and Touchless Transactions

For the comfort and convenience of all guests.

Face Coverings for Guests and Crew

Required during the duration of your experience, except while eating or drinking.

Changes to Indoor Areas

On board interior areas have increased airflow with limited admission for your safety.

Hand Washing and Sanitizer

Soap and hot water are available in the restrooms and hand sanitizer stations are provided.

A Robust Employee Wellness Program

In place for all our dedicated crew members.

If you feel ill or have Covid-19 symptoms, please stay at home.
